

# The Hot Pepper

A Community Newsletter For Pepper Hills HOA #2

VOLUME 1, ISSUE 6

WINTER 2008

Greetings Homeowners!

On behalf of the board we hope that 2008 has been treating you well. Whether you are new to our neighborhood or a long time resident, we trust you are pleased with our continued efforts to improve the quality of life in Pepper Hills #2.

We are pleased to announce our **2008 Christmas Light Contest**. Last year was a huge success and we look forward to even more participation and creative displays this year. The board will be judging displays on Thursday, December 18th at 7:30PM. Make sure to have your lights on and we'll announce winners at [www.PepperHills2.com](http://www.PepperHills2.com).

The upcoming year will be filled with exciting events and more improvements for our community. The board meets on a regular basis and you can read meeting minutes, updates and more at our site. If you have any questions, concerns or comments, we would love to hear from you. Have a wonderful holiday season and we'll talk soon.

Yours in service -- Kevin McNeese, Korrin Rue & Bill Jones

## FRIENDLY REMINDERS

We would like to remind give our home owners of some important reminders:

- We are seeing a number of **portable basketball hoops** appearing throughout our neighborhood, which is fine, but they are being left blocking sidewalks, and laying in plain view in yards and driveways. The board is asking owners to store or screen portable basketball hoops when not in use. We're asking for the cooperation from our homeowners so no other involvement is needed.
- **Garbage cans** should be screened from street view at all times except on garbage days. Please store garbage cans behind fences or in garages.
- We are receiving a number of complaints about **unsupervised pets**. Please be responsible pet owners and neighbors. If you are seeing pets wandering around, please call Boise Animal Control instead of contacting the board.
